18th ANNUAL SCIENTIFIC PROGRAM FEBRUARY 24-26, 2012

PHYSIOLOGICAL TREATMENTS FOR CANCER

THE LINKS BETWEEN NUTRITION AND CANCER

Category 1 CME 12 hours + workshops 4 hours (pending)

OUR FACULTY are among the most experienced orthomolecular healers on Earth, now addressing the nutrition-hormonal interfaces that provide insights into cancer initiation and growth and offer new possibilities for healing, adaptation, survival and better quality of life.
